Riverfront Events at the Hyatt Wilmington

A Taste for Art, is more than a spectacular and award winning celebration of art, food, culture, and community. It's true purpose is to raise much needed funds to **support programs and services proven to help Delaware's most vulnerable children and families overcome trauma and transform their lives.**

Your generosity can help make it possible.

When you donate an item, service or experience, **you are giving children and families the help they need** because 100% of event proceeds will go directly to support the mission and work of 501c3 Children & Families First.

Better yet, in addition to knowing you've made inspirational change happen in your community, there are **measurable benefits for you,**

- Donations are tax-deductible
- Guaranteed exposure and connection with over 300 of Delaware's most influential business, community, and civic leaders.
- Recognition through social media promotions, on the event website, on signage at the event, and in the digital program.

Please give today! With your support, together, we will build strong, thriving communities where families are strong, individuals are resilient, and children have every opportunity to reach their full potential.
